ATM - UniBucks™ Manager

UNIPAC keeps track of UniBucks and posts them to your account on a weekly basis. Due to product returns, refunds, credits, etc., there is a 30 day waiting period until funds become available to transfer or apply to your student loan balance. For terms and conditions on the UniBucks program, go to [FAQ](#). The UniBucks meter keeps track of all your UniBucks earned and how much is available to be applied to your designated student loan account. You may transfer any UniBucks that are in "Earned" status to another @theU account.
